

Parents and Students:

Welcome to Kathy Hansen School of Dance. Those of you who have been with us before are familiar with our rules of conduct. A few changes are being made, however, to better serve our growing enrollment and we ask that you take a moment to acquaint yourself with them.

If you are a newcomer to our Studio, we especially want to take this opportunity to extend a warm and friendly welcome!

Our rules are extended to assure every student the same high degree of attention and the opportunity for advancement, while maintaining the atmosphere for which the Studio is known.

On behalf of the Studio faculty and staff, welcome!

FROM A DANCE PARENT: One of my friends asked "Why do you pay so much money and spend so much time running around for your daughter to dance?" Well I have a confession to make: I don't pay for my daughter's dance lessons. Or her pointe, ballet, jazz & tap shoes. Or her hundreds of costumes. So, if I am not paying for dance, what am I paying for? - I pay for those moments when my girl becomes so tired she feels like quitting but doesn't. - I pay for the opportunity that my girl can have and will have to make life-long friendships. - I pay for the chance that she may have amazing instructors that will teach her that dance is not just about movement but about life. - I pay for my child to learn to be disciplined. - I pay for my girl to learn to take care of her body. - I pay for my daughter to learn to work with others and to be a proud, supportive, kind and respectful team member. - I pay for my child to learn to deal with disappointment, when she doesn't get that score she hoped for, or fell during a move she has practiced a thousand times, but still gets up and is determined to do her BEST next time... - I pay for my girl to learn to make and accomplish goals. - I pay for my daughter to learn that it takes hours and hours and hours and hours of hard work and practice to create a champion, and that success does not happen overnight. - I pay so that my daughter can be in the studio instead of in front of a screen... I could go on but, to be short, I don't pay for dance; I pay for the opportunities that dance provides my child to develop attributes that will serve her well throughout her life and give her the opportunity to bless the lives of others. From what I have seen for many, many years, I think it is a great investment! Author: S. Martin
